This site indexes thousands of different GEDCOM files found on other web sites. GEDCOM files are special genealogy files that can be imported into any genealogy software.

Be sure to check [Sorted By Name.com](#) to find transcription projects where your ancestors are listed, even if you don't yet know where they went.

What you should know about GEDCOM files:
[CLICK HERE](#)

NEW! Add your GEDCOM files to the companion site,
<http://GedcomLibrary.com>.

You can help other researchers by checking this site and [World Bride Index](#) for persons whose details match

the researcher's query on a message board. Please tell them where you found the information, and that it must be verified.
