### Peter Reisher/Risher of MD and PA

Here is the information I have collected on my ancestor, Peter Reisher (also spelled Risher) Still looking the maiden name of his wife Susanna and for the maiden name of Catherine, first wife of his son Daniel.

"Time line of Peter Reisher who immigrated to America before 1738, and his only son Daniel who died 1825 Franklin County, PA"

1724, 10 Oct. Baltimore County Land Records. (TB&C, p658) John DIGGES of Prince George County, gentleman, conveys 150 acres of 'Digges Choice' to George COUNCE of Conewago Township adjoining the land of John MORNINGSTAR. [This date is interesting as George Kuntz and wife Catharina (nee Jager) had four children baptized at Hatten Lutheran Church 1722-1729. He immigrated 1732 on the "Pennsylvania Merchant" with Catharina, Hans, Eva and Catharine Coonce. George Kuntz was from Hatten, (Postal Code 67690) in the Northern Alsace according to Annette Burgert in "Emigrants from the Northern Alsace to America" pages 318-9, (Picton Press, 1992). This article mentions the Kuntz, Morningstar and Ungefah families and shows their connections. "Maria Eva Kuntz, daughter of Joh. George and Catharina (Jager) Kuntz, married 18 Jun 1739 Philip Morgenstern, son of John and Juliana. Catharina Coons, widow of George, wrote her will 9 Jun 1755 Heidelberg Twp, York County, PA. Did George immigrate, buy land, return to Europe and then bring his family over?]

1729? Or 1735? - Birth of Daniel RISHER/REISCHER, son of Peter. First date is computed from a letter written by his son Samuel, second is from his tombstone, First Lutheran Church, Chambersburg, PA. The first date is more likely correct as Daniel repatented the land of his father 1751, Frederick County, MD. The Maryland law at that time gives 21 as the legal age for males. ("Understanding What You Read in Maryland Records" draft copy prepared by Eleanor Cook, Maryland Hall of Records, not yet in publication.)

1738, 4 Jun -Records of the Government Council, 1738" Commission Book, p 38. [Read at the Maryland Hall of Records, 3 Feb 1992] "A Patent of Naturalization issued in Common Form to Peter REISHER, a native of High Germany but now of Baltimore County, planter, and his children Daniel, Susannah, and Elizabeth." [Does this mean that Daniel and the other children were born in Germany, not in PA? Talked to several archivists at Maryland Hall of Records. They did not know of any other reason for a person to be naturalized unless they were foreign born. The consensus of opinion was that Peter was hedging his bets' here. The fight over the ownership of the land in this area along the Pennsylvania - Maryland border had escalated this year. At least one person had been killed in the dispute. Peter and his neighbors had more rights as naturalized citizens and in the event that something happened to them, their children were already naturalized and could therefore lawfully inherit. cks]

Others naturalized on the same date - all 'natives of High Germany now planters of Baltimore County'

John MORNINGSTAR and his children Philip, Elizabeth and Joanna

John Martin UNGEFARE and his children George, Francis and Catherine.

Adam FURNEY and his children Mark, Nicholas, Philip, Charlott, Mary and Clara  
George COONTZ and his children John, Eva and Catherine  
Stephen ULDERY and his children Stephen, George, Daniel, John, Elizabeth and Susannah  
John LAMMON (of Prince George County) and his children John, George, Louisa, , Lenora, Catherine and Margaret.

[Note: Philip FORNEY and his brother Mark both died York County, PA. (Pennsylvania Wills, 1682-1834, F. Edward Wright)]

FORNEY, Philip. Heidelberg Township. Will written February 3, 1783, proven March 25, 1783

Executor: Adam FORNEY.

Children: Christian, Marks, Adam, Eve m. Christian WERTS, Catharine m. Nicholas KIEFBRALER, and Daniel.]

1741, 14 Dec. Records of Rev John Casper Stoever. (Filed under York County, PA) John Michael BIEGLER married Susanna REUSCHER, Conewago. Also in these records: 18 Jun 1739, Philip MORGENSTERN married Maria Eva KUNTZ, Conewago. "Emigrants from the Northern Alsace" (p 73) gives Michael Bigler's date and place of birth as 3 Dec 1707, Ingolsheim, also know as Soultz-sous-Forets (Postal Code 67250) He immigrated 1741 on the "Francis and Ann." He was naturalized 21 Sep 1763, 'German, a member of the Baptist congregation' – Burgett, p 74. [This Susanna is the widow of Pete Reisher, see Frederick County MD Deed dated 21 May 1751.]

1743. St Matthew's Lutheran Church, Conewago, now York County, PA. John Michael, son of John Michael BUGLER, baptized. Sponsors: Peter SCHULTZ, Catherine SCHULTZ. [records begin about this date. Read through 1790 - lots of MORGENSTERN, KUNTZ in the records, plus one ONEGEFAHR but no other BIGLER or any RISHER. This child must have died young as he is not in his father's will.]

1746, 7 Jul. Baltimore County, Maryland Land Patents. (T.B. &E, 191) Joh. George COUNCE of Baltimore County, farmer, conveys 150 acres of 'Digges Choice' to his son John COUNTS, who in return will provide a home, maintenance, etc for the said Joh. George COUNCE and wf Catherine, mother of John COUNCE. [Note that this family was naturalized the same date as that of Peter RISHER and that they also had bought land from John DIGGES.]

1751, 21 May. Frederick County, MD, Deed Bk B, pp396-8. Daniel RISHER from John DIGGES of Little Conewago in Baltimore County for 30 pounds of gold paid to him by Peter RISHER, deceased, father of said Daniel; confirms to Daniel RISHER as son and heir of the said Peter, all that tract of land hereafter described, except the resurvey unto Susannah RISHER, a.k.a. BIGLER, mother of Daniel, as her right of dower. Part of the tract of land called 'Digges Choice' beginning at a branch of Little Codurus Creek, running to the NW corner of Peter WELTEY's line, 150 acres. Signed John DIGGES. Wit: William ELDER, John DARNALL. Recorded 7 Jun 1751. Alienation fine (recording fee) paid.

[This is the deed that leads me to believe that the 1729 birth date may be correct. Daniel would have been only 16 in 1751 if the 1735 birthdate is correct. Too young to have recorded this land without a guardian to sign for him]

1760, 22 May, York County, PA, Deed Bk A, p 516. Thomas ARMORER of York Towne, York County, Esq, and wf Sarah to Daniel REISHER of Baltimore County, MD. Land patented 21 Apr 1759 to Thomas ARMORER by William and Richard PENN. Land in Manheim Twp. House, outbuildings, gardens, meadows, etc. L97.10.0. Signed Thomas ARMORER, Sarah ARMORER. Wit: Michael DOUDLE, David JAMESON.

1761, 4 Jun. York County, PA, Deed Bk B [can't read page numbers] Daniel REISHER of Manheim Twp yeoman and wf Katrina to John WELTEE of same. Land patented 21 Apr last to Thomas ARMORER. Bounds: John STONTICOM?, by Maryland patent, Peter WELTEE, Michael BEIGLER, John DIGGES, John

1764, 29 Feb. Will of George UNKAFARE proven York County, PA. Executors: Michael CARLE and Leonard GEISEL. No township given. (German will.) [George UNGEFAHR naturalized 1738 with his father and siblings, the same day as Peter REISHER.]

Letter from Samuel REISHER of Chambersburg (son of Daniel REISHER and his second wife Christina

SMITH KROFT) to his cousin Rev. Levi RISHER of Dravosburg, PA, written 2 Dec 1891.

'My dear friend – Your welcome letter is duly received. Weak and feeble in body from the great age that the heavenly Father has blessed me with. My hearing is greatly impaired. Still notwithstanding, I am still able to see and attend to my business affairs. It is now 26 years since you were with us in Chambersburg after the house was built after the rebels had burnt our lovely town your amiable and lovely nace (niece) Dellia M. RISHER for whom I have great esteem frequently did call to see us while a scholar at Wilson College. from her we heard from you at various times. I see from your letter your endeavoring to find where my ancestry hailed from. My father who was Daniel RISHER who wrote his name as you in German. He was of German descent whose parents came to this country at an early day when this country was but collonies before the revolution. His father having died and he was left his widowed mother then but a child of tender years . Thus you will see my father Daniel RISHER grew to manhood in times of great troubles of the times then existing. He subsequently got married and had sons and daughters born to him and after these children had been born the mother died. This scattered the children westward the sons were called by name the first Michael, Abraham, David, John and the youngest was Daniel. The daughters were Elizabeth, Mary, and Catherine. It will now be seen that after the death of the mother of the aforesaid sons and daughters my father then married my mother Christina CROFT a widow of John CROFT a soldier of the revolution. So that from this wedlock I was born and my father and mother then lived and remained with me in Chambersburg until death and are both buried in Chambersburg.

It will [be]seen that his sons Michael and the other sons went to west and remained there while I was born in Chambersburg. And there have lived to the present day. So this will show where our name became east and west from the same ancestry and never at any times met so see each other.

My father wrote his name as you do yours. My name has been wrote by me with the REISHER that was followed up from my school days. I am sure that my parents are of German descent and owned the land at one time after Braddock('s) fight with Indians (and) french of which he took part was owned and occupied by father as you do now.

Dear friend you will please to excuse my writing and errors from spelling or any other information you desire you can find from me if desired.

I remain your friend  
With much respect

Sam'l Reisher
